If God is written upon our hearts anyway why all the

God's Word can be only written upon our hearts, if we know the truth about God- and the way to know that is through His word, so why can't there be Braille and large print bibles?

Three things you probably don t know about the Braille Bible

It s not surprising, therefore, that producing a full Braille Bible costs at least 50 times more than an ordinary print Bible. People with visual impairments are among the poorest in the world and cannot

afford to buy Braille Scriptures. Through the generosity of donors, Bible Societies and their partners are able to provide them free of charge, but many more are needed.
