The book started with no important spells, and then continued with more serious ones. Some of the incantations mentioned in the book were; a cure for warts, toothache and cramp, and a spell for dealing with a swarm of bees. There was also one that allowed you to find a buried treasure, and one to remember things forgotten, or to forget things you want to forget. There were incantations to know if someone was speaking the truth, and how to call up (or to prevent) wind, fog, snow, sleet or rain.
