Sight words build speed and fluency when reading. Accuracy, speed, and fluency in reading increase reading comprehension. The sight words are a collection of words that a child should learn to recognize without sounding out the letters. The sight words are both common, frequently used words and foundational words that a child can use to build a vocabulary. Combining sight words with phonics instruction increases a child's speed and fluency in reading.

Why Do Kids Learn Sight Words verywellfamily.com

Sight words refer to the words that are most frequently used and repeated in books, which is why sight words are also sometimes referred to as high-frequency words. The same words are also sometimes called core words and popcorn words. The phrase "popcorn words" refers to the fact that students should be able to just pop those words out every time they see them.
