William Goldman in The Princess Bride Shmoop

Goldman introduces what is called a frame narrative around The Princess Bride, which he claims is not his book instead this story is one his father used to read to him when he was younger. When his son turns ten years old, Goldman remembers loving this story as a kid and becomes determined to get his son a copy. It's only after learning that the original version is boring that he decides to create a new version that only leaves in the "good parts" of the original.
